Last updated: February 12, 2026

Welcome to **MyComics.ai (Filli S.r.l.)** ("the Service"). By accessing or using our platform, you agree to the following Terms and Conditions ("Terms"). Please read them carefully before using the Service. Your access and use of the Service constitute acceptance of these Terms in full.

1. Use of the Service

1.1 You may use the Service only for lawful purposes and in compliance with these Terms.

1.2 The Service allows users to upload images, generate comic-style artwork, and create interactive digital stories using artificial intelligence tools.

1.3 All content generated through the Service ("Generated Content") is produced under your sole direction and responsibility. You understand that the Service acts only as a tool for creation and does not control how the Generated Content is displayed or used by you.

2. User Responsibility

2.1 You acknowledge and agree that **all Generated Content and all uploaded material (photos, text, prompts, or instructions)** are solely your responsibility. You assume full liability for any claim, damage, or dispute arising from the use, publication, storage, or sharing of Generated Content.

2.2 You agree not to use the Service to create, upload, or share any content that is:

- Illegal, obscene, pornographic, violent, or otherwise offensive ("NSFW" content);
- Infringing upon any copyright, trademark, likeness, or intellectual property right of a third party;
- Depicting real persons (including minors) without their explicit written consent;
- Promoting hate speech, harassment, discrimination, threats, or self-harm;

- Intending to defame or harm the reputation of any person or organization.

2.3 You agree not to impersonate any individual or misrepresent identity when uploading photos.

3. Copyright and Ownership

3.1 You retain ownership of the ideas, stories, inputs, and creative direction that you provide to the Service.

3.2 **MyComics.ai (Filli S.r.l.)** retains all rights to the platform, software, algorithms, UI/UX, and brand assets.

3.3 You grant **MyComics.ai (Filli S.r.l.)** a non-exclusive, royalty-free, worldwide license to use anonymized versions of Generated Content for internal purposes such as model training, analytics, security monitoring, product improvements, and marketing showcases — unless you explicitly opt out in writing.

3.4 You acknowledge that the AI output may be similar to or resemble content generated for other users due to the nature of machine-learning models.

4. Payments and Refunds

4.1 The Service may include paid features such as subscriptions, credit packs, one-time purchases, and downloadable comic books.

4.2 **No refunds** will be issued for completed generations, credits, comic outputs, or subscription periods that have begun.

4.3 In case of technical issues preventing generation, users may contact support at info@filli.it for review. Refunds or credit reissues are not guaranteed and are determined on a case-by-case basis.

- unauthorized access to your account,
- disputes resulting from uploaded or generated content.
